

**TER
RACE**
MILANO

An aerial night photograph of a modern skyscraper in Milan, Italy. The building features a distinctive design with a grid of windows and a top section with vertical slats. It is illuminated from within, and some windows show colorful displays. The surrounding city is visible in the background, with other buildings and streets lit up. In the foreground, a multi-lane road with some traffic is visible. A text overlay is centered on the image.

UNO SPAZIO ESCLUSIVO NEL CIELO DI MILANO

*Una finestra sul Naviglio, venue in grado di ospitare **fino a 250** persone, spazio unico in cui organizzare meeting ed eventi.*

360° PANORAMIC VIEW

This aerial photograph captures a rooftop terrace with a 360-degree panoramic view of a city street. The terrace is enclosed by a glass railing and features a large, open space with a grey floor. A group of people is gathered in the center, and a red light is visible. The terrace is surrounded by a concrete structure with a green railing. Below the terrace, a parking lot with several cars is visible. In the foreground, there are two large air conditioning units and a set of solar panels. The text "360° PANORAMIC VIEW" is overlaid in the center of the image.

La location dispone di una **dotazione tecnica residente** per audio e luci ed è arredata con pezzi di design, tra cui poltrone Nemo, tavolini e sedute.

TECHNICAL SET UP

Tangenziale Ovest

A wide-angle, high-angle photograph of a city at night. In the foreground, a long, multi-story building with a dark roof and many lit windows runs along a canal. The canal is calm, reflecting the city lights. To the right of the canal, a road with a bridge crosses it. In the background, several tall, modern skyscrapers are illuminated, standing out against the dark sky. The overall scene is a vibrant urban landscape.
